" *Until the Robin Walks on Snow* "

The story takes place in Norwichtown, CT and is based on a true story. In 1922, an immigrant family and their devoted midwife are determined to save a 1.5 pound newborn. For ages 10 and up—with Christmastime themes of family, faith, friendship, tradition and grit. The story includes Lithuanian and Polish Christmas Eve traditions, as well as an extensive bibliography and Authors Notes which provide additional information about the facts, family history, and research (medical, ethnic, and historical) behind the story, as well as more info about the characters—all real people.
